To keep you informed:

The Campus Public Safety Department is currently investigating a traffic incident that occurred at the intersection of W. University Parkway and Canterbury Road, on December 9, 2021, at about 8:38am. At the time, two JHU student pedestrians were crossing the roadway in the crosswalk when a vehicle appeared to intentionally increase its speed, almost striking them as it approached. The vehicle was last seen traveling eastbound on W. University Parkway, approaching N. Charles Street. There were no injuries sustained during the incident.

Suspect Vehicle Description: Older model grey, four-door sedan

If you have any additional information or observed a vehicle matching this description in the area, please call Campus Public Safety (410-516-4600). For further information and tips, please visit the JHU Public Safety website at http://security.jhu.edu/crime-prevention-tips/index.html. When observing any suspicious activity, everyone is reminded to contact Campus Public Safety (410-516-4600) or Baltimore Police (911) immediately.
